

FREE HORSE FARM BUSINESS PLANS

The purpose of this business plan is to raise \$, for the development of a horse farm and stable facility while showcasing the expected financials and.

Levi wired his "grub stake" back to relatives in the East with instructions to purchase all the canvas they could and have it shipped to him in San Francisco. Management and Operations Describe the nuts and bolts of your equine business. At the onset of operations, the Company will have a staff of four people that are very well versed with the care of equine animals, riding lessons, and breeding of horses. The Executive Summary is a one-page synopsis that highlights the major points that will follow later in the business plan. Each of those items and many more have associated costs. These services can be hosting special horse-related events, selling horses and participating in auctions on behalf of their clients, or selling other horse related products, in order to gain a huge share of the market. Your cash flow statement is the difference between the income and your expenses; if you are out of cash at the end of each month, either your income needs to grow or your expenses need to shrink. As you write your horse business plans, you will get a clearer, more concrete idea of what is involved in creating and running a successful horse business, so take your time with part of your venture. A pro-forma highlights anticipated expenses and income in year one, year three and year five to demonstrate growth and viability of the business. And there is a cost associated with that. Small Business Administration www.SmallBusinessAdministration.gov. Outlets in front of every stall? EquineAcres will follow this same simple business concept. Ellen is a successful Intermediate Level Event competitor with strong ties to the community. Also, the fact that we will be boarding more than one horse would mean that our fixed costs will remain the same no matter the number of horses we have. Our sales strategy therefore is to provide our clients with an immaculate, safe facility, staffed by knowledgeable, service-oriented people that allows them the opportunity to thoroughly inspect the quality of our programs and the health and condition of the horses in our care. A Company Description follows the Executive Summary. Horse Training: Chris Equestrian also provide horse training service by expert trainers, for the people who procure at least our 6-month membership. Ereidi Farm functions as a quality thoroughbred breeding and training farm specializing in highly individualized care programs designed for each horse's needs. Her many years in the industry made her well suited for the services offered by the farm. But Levi was an observant man. He plans to rotate grass, alfalfa, and soybean crops, to bale the grass and alfalfa hay for use in our facility, and to divide the proceeds from the sale of the soybean crops with us per an agreement drawn up by our attorney. Doe is not seeking an investment from a third party at this time. Doe will develop ongoing referral relationships with veterinarians that regularly work with owners of farmers and equine sport enthusiasts that own one or more horses. Locations such as public thoroughbred sales, seminars, racetracks and trade shows have been targeted. The property is a prime location, near public land for trail riding, and only 20 minutes from the county fairgrounds. Who will manage the business? Our programs are individualized and no horse is pushed through a program just to get the job done. We have a strong relationship with several associations and this means we are correctly positioned in getting reliable vendors for all the necessary services and products we intend to offer. A formal business plan also addresses financial projections. Fortunately, there are numerous resources available to help you get started.
