

HATRED FOR AMERICA ESSAY

Free Essay: Hate Crimes in America Hate crime is not a new phenomenon. Hate crimes have been prevalent in society for as far back as one can document it.

We hate what we fear, and we fear what we do not know. That allows us to succeed with what we want to do in America. A majority of the crimes that they take part in are motivated toward a person of another race. Surprisingly, though, Trump has provided us another choice, another chance. What has for so long been hidden " or willfully ignored " is now in the open. What would it take for it to embody love, compassion, and interbeing? The vast majority of Trump voters were expressing extreme dissatisfaction with the system in the way most readily available to them. There will always be prejudice and hate, but they are not tolerated in the U. For Trump supporters, the initial celebration will collide with gritty reality when Trump proves as unable or unwilling as his predecessors to challenge the entrenched systems that continually degrade their lives: global finance capital, the deep state, and their programming ideologies. Examples of Hate Crimes A. America to me in one word is "Home". I have studied history ever since elementary school and have read much about the civil war, rebel soldiers, confederate flags, and slavery. They tear us apart when we should be moving closer together. He is silent about what would happen to the numbers if we include, as Harvard sociologist Bruce Western suggests, those who are incarcerated. WP Company, 12 Dec. Our laws are passed by individuals we elect. Valery Reed Hate Crimes Hate crimes are many different criminal acts such as vandalism, arson, assault, and even murder. To this day, there is still much hatred between blacks and whites despite emancipation, desegregation, and integration. Hate Crimes do not just effect the victim but also the community. Most of these citizens are believers of racial and ethnic stereotypes and act on spur-of-the-moment impulses x. We are all victims of the same world-dominating machine, suffering different mutations of the same wound of separation. After the election ended, more hate crimes and more hate speech were used because people saw it reflected in their new president.
